

Saint Thomas Aquinas

St. Thomas Aquinas was a Dominican priest who lived in the 13th century. God gave him the gift of an amazing intellect and the ability to understand and explain very complex ideas without difficulty. He is also a great example of perseverance. Many people (including his parents) tried to prevent him from becoming a Dominican priest, but God strengthened him to continue on the path towards his vocation. St. Thomas eventually became a great teacher and writer. He is the patron of students, teachers and Catholic schools.

DIRECTIONS:

1. Color the figure.
2. Cut out the figure along the bold border.
3. Roll the figure into a cone shape, with the white tab on the inside of the cone.
4. Staple, tape or glue to connect the tab to the back of the cone.
